

# Wheelchairs Needed

Dear Church,

We are looking for the used wheelchairs in your storage rooms. Mission Mobility collects the unused wheelchairs for shipment to Bethel Ministries International in Guatemala. BMI refurbishes the equipment for distribution to the disabled in Guatemala. This FREE gift of mobility truly TRANSFORMS lives.

We also need Scooters, Walkers, Crutches, Canes.

We are a 501c3 non-profit charitable organization, reaching out to our Church Family, to prayerfully consider donating that equipment that will change lives. Our web address is [www.missionmobility.org](http://www.missionmobility.org).

Sincerely,

The Volunteer and Collection Team  
Mission Mobility Network
