Parents Involved as Leaders (PIAL)

Given the difficulty in filling leader and helper spots last year, we are looking for all parents/caregivers of children attending the workshops to take their turns in the workshop space on Sunday mornings. In most cases, you would be the second adult in the space (a requirement of our Safe Sanctuaries policy).

Please register your child for Sunday School by visiting [this link](#)*, where you also will be able to sign up to serve in the PIAL program. Even if you are unsure whether you will be able to help, please choose some Sundays as a goal to shoot for. If you find that you are unable to serve on the selected week, you will be able to switch with another parent (please try to make that determination by Wednesday of the Sunday you are scheduled to serve).

After everyone has the opportunity to sign up, Lisa will be filling the holes in the schedule with other parents who have not yet submitted their forms (around 9/7). The complete schedule (through just before the beginning of Lent) will be mailed out and posted on the website in mid-September.

The new curriculum is easier than anything we've used before. It is highly scripted, and all your supplies are prepared for you ahead of time; supplies bins are picked up prior to class on Sunday morning.

Thank you all for your service in helping our young disciples learn what it means to love and serve Jesus!
