What We Do

As a faith community, God calls us to make clear His presence in all we do. Though none of us is perfect, we strive together to serve others in our local area, in our region, and around the world. Jesus calls us to make and train disciples in the practice of the Christian faith who will, in turn, do the same for others, to the end that the world may be transformed.

We gain strength from worshipping with one another each week. Undergirding our efforts together are the power of prayer in its many forms and the bonds formed as we fellowship with one another.
